

Navin Kumar Singh

Data Science

8757569686 navinjee9398@gmail.com Bangalore, Karnataka LinkedIn Github

EDUCATION

B.Sc. in Physics

Mar'18-Mar'22

Patliputra University Patna Bihar

Patna, Bihar

PG in Data Science & Machine Learning

Mar'23 - Mar'24

Data Trained Academy

New Delhi

I completed a comprehensive data science course covering essential topics such as data collection, data preprocessing, statistical analysis, machine learning algorithms, , and model data visualization deployment.

INTERNSHIP

Data Scientist Intern

Sep '23 -Mar '24

Flip Robo Technology LLC

Bangalore, India

- As a data science intern I worked on data cleaning, feature engineering, model development, and evaluation, gaining practical experience in data preprocessing, Predictive modeling, and data visualization.
- Able to clean, manipulate and analyze large datasets using various libraries and frameworks

ACADEMIC PROJECT

• Indian Crimes Report

- To analysis which type of Crime happened from 2001 to 2012 In India.
- Using Machine Learning, SQL and Advance Excel

• Churn on Telecom Customer

- On the basis of the data we had to predict the churn rate by the customer.

KEY SKILLS

- Data Analysis • Machine Learning • Web Scraping • Predictive Modelling & Analytics • Data Mining
- Programming • Data Visualization • Team Coordination

TECHNICAL SKILLS

- Languages : Python, SQL
- Tools, Models & Frameworks: Power BI, Scikit-learn, Advance Excel, Pandas, Numpy, Seaborn, Matplotlib, SciPy

OTHER COURSE

- DCA • Tally • Kushal Yuva Program • Typing In English
- Birth Place : Mohanpur Doghra, Patna, Bihar
